

Hello!

I would very much like to be able to check this book out of your library.

I have asked the publisher to provide the details for your review.

If this book meets with your approval, please consider purchasing it for your location so I can check it out.

Thank you!

## REFRACTIONS OF FROZEN TIME

Star Trails Tetralogy Volume IV

by Marcha Fox

### About the Book

*Creena and her little brother, Deven, believe the cavern's crystals can reunite their family at last. But before she can unlock their secrets, Integrator forces find their underground hideout, forcing a harrowing escape loaded with unexpected consequences. Do the Brightstars have what it takes to survive their final confrontation with the Integrator and his evil proponents? Or will the family's longed-for reunion take place in another dimension of time and space? Find out in this suspense-laden conclusion to the Star Trails Tetralogy.*

### About the Author

*Marcha Fox is an avid science fiction fan and author with over 20 years' experience at NASA's Johnson Space Center in Houston, Texas. Inspired by science fiction to pursue a physics degree and career in a technical field, she hopes to instill the same fascination in young readers by including scientific principles in her stories, while providing older ones with classic hard science fiction.*
